

Tmall Global Entry Process for Foreign Companies (Simplified Table)

Step Task Description

- 1 Check Eligibility  Must be a non-mainland registered company
 Must own or be authorized to use a brand
- 2 Prepare Required Documents  Business license
 Trademark certificate and brand authorization
 Bank account information
- 3 Register Tmall Global Account Sign up at the official portal: <https://merchant.tmall.hk/>
- 4 Submit Company & Brand Info Include company introduction, product category, market experience, etc.
- 5 Wait for Review (2–4 weeks) Tmall will review the application. You may be asked to provide more documents
- 6 Pay Deposit & Annual Fee  Security deposit: USD \$5,000–\$15,000
 Annual service fee: From USD \$5,000 depending on category
- 7 Open Store & Backend Setup After approval, set up your storefront, logistics, customer service, etc.
- 8 Product Listing & Operations Upload products, set pricing, logistics, and begin operations
- 9 Cross-border Logistics & Payment Use Cainiao Global and Tmall's settlement platform for RMB/foreign currency
- 10 Brand Marketing & Optimization Join Tmall campaigns (e.g. Double 11), run promotions, and optimize sales

Entry Requirements Summary

Item Details

Company Location Hong Kong, Taiwan, Japan, Korea, US, EU, Southeast Asia, etc.

Brand Type Self-owned or authorized brands

Key Requirements Trademark, business license, and brand presence (official site or social media)

Language Support Chinese-speaking team or 3rd-party operation service provider required

Logistics Models

Direct Shipping: Ship directly from overseas warehouse to Chinese customer (slower but cheaper)

Bonded Warehouse: Store goods in China bonded zone and ship locally (faster and preferred by buyers)

If you'd like, I can also help you draft a checklist or pitch deck in English for presenting to investors or partners. Let me know!
